Meet the Quirks

The Quirks love to travel and have all been to some lovely places with our children. So please if you would like to take one of them with you to play, please do ask. We keep a picture book of the Quirk's visits to share with the children, so please take lots of pictures to add to their adventures!!

How we share your child's progress

In line with statutory procedures, you will receive a progress report when your child is 2 ½ years old and during the term before they go to school. At Clever Clogs we have an open door policy, which means you are always welcome into setting to look at your child's learning journal and discuss their progress with your key person. You will also receive regular verbal feedback on your child's progress from your key person.

Dates to remember:
